

LOOKING FOR SOMETHING NEW?

At CHC Wellbeing, we believe that everyone has the right to thrive and to reach their true potential.

We also value the opportunity we have to play a part in this, by providing caring and professional services to our clients and their employees.

Job Description: Seasonal Flu Clinics-RN, LPN, EMT

We are currently seeking compassionate, skilled professionals to conduct flu shot clinics for our clients. You will be responsible for going to the client's office, setting up for the clinic, delivering vaccinations, collecting payment and/or insurance information, and reconciling the activities after the event. The peak season for flu shot clinics is between August and January, but we conduct other vaccination events throughout the year and would love to include you in those opportunities, too.

- ✓ Competitive wages
- ✓ Flexible scheduling
- ✓ Onsite training
- ✓ Fast-paced environment
- ✓ Corporate settings
